Parents of Pre-K – Fifth Grade Students:

Summer Tutorials for Reading & Math  
Pre-K - Fifth Grade Kopperl Students

This is the last year of our present reading grant, and therefore may be the last chance for you to take advantage of this opportunity for your child to work on reading skills at school during the summer. In addition to reading, we are hoping to spend a portion of the time developing math skills. We are opening the invitation for all our present students enrolled in this year's pre-K class through this year's fifth grade class. Several teachers will be available to help during the month of June if we have enough students to register.

Transportation will not be provided, but breakfast and lunch will be provided by the "Summer Feeding Program." See the attached Summer Feeding Program letter for breakfast and lunch times. The time for the tutorials will be from 8:00 A.M. until 11:30 A.M. The dates for the summer reading tutorials are from Tuesday, June 1, 2010 through June 30, 2010 (tentatively).

If you plan to take advantage of this opportunity, you will need to call the school office at 254.889.3502x225 to register your child. This will allow us time to make definite plans for classrooms and teachers for the correct number of students. Please call by May 28, 2010, if you would like to register your child for this unique opportunity (feeding and reading—how good can it get?).

Thank you for your help in the planning process.

Striving for Excellence,

Katrina Adcock  
Principal, Kopperl ISD
